Become the virtual quarterback you were born to be!

2MD VR Football is a room-scale **two-minute drill** VR arcade experience where players take on the role of quarterback tasked with taking back the lead in the thrilling final moments of a game. Draw the plays, call the shots, throw the ball to take down opponents before the clock runs out, and lead your team of tackle-dummies to victory.

Featuring:

- Fully interactive, 1:1 VR motion tracking.
- You call the shots: pass, hand-off, or even run the ball.
- True pick-up-and-play arcade gameplay with a 7 round heat.
- Interactive whiteboard that allows players to draw up to 8 of their own plays in VR.
- 8 Immersive, unique stadiums with larger than life attractions.
- Unlockable trophies that populate your team's locker room.
- "Hot Streak" status buff for multiple chained completions.
- Rapid-fire ring toss bonus rounds!
- Steam Leaderboard & Achievements.
- Up to 8 unique teams.
- Customizable team logo, colors, audible voice, home field, and fight song.
- Broadcast style spectator screen.
- Featuring the voice talents of Xander Mobus.

2MD has been designed to work with the standard HTC Vive, as well as the Oculus Rift*.

*(Oculus touch controller and second camera required for room-scale motion tracking)
